

The Paris Institute for Advanced Study is launching four calls for applications for 5 or 10-month research fellowships during the 2020-2021 academic year. You will find the calls attached and in the links below. Please circulate widely!

Each of these calls is for high-level international researchers who have held a doctorate for at least two years and who do not work in France. *It is not possible to apply for several calls with a single project.*

- A call in the **“Blue-Sky”, non-thematic, program**, open to all disciplines in the humanities and social sciences, and to all research themes. Application deadline: April 15, 2019.
- A call in the **“Dark Clouds” program**, aimed at supporting research in the humanities and social sciences on important and urgent threats to the future of our societies. Application deadline: April 15, 2019.
- A call in the **“Brain, Culture and Society” program**, whose objective is to bring together the humanities and social sciences, psychology and the neuro-sciences. Application deadline: April 15, 2019.
- A call for the **Chair “Major Changes: Impacts and Ethical Dimensions of Environmental Transition / Artificial Intelligence”**, in partnership with Sorbonne University. Application deadline: April 22, 2019.
